REGULATION PLAN

MENTICATION

Dear 2100.

*Now that you're there and I'm here,
what are the things that matter?
When you look back?*

Begin

15 MINUTES · ONE QUESTION AT A TIME

What have you
always wanted
to do, but
haven't?

I've always wanted to...

Continue

Type freely — we'll come back to this.

What have you
always wanted
to do, but
haven't?

learn to play the piano properly

Continue

One thing is enough. We'll build from it.

BARRIERS · TEN PROMPTS

MENTICATION

So what's actually in the way?

Ten questions. You'll find the reason yourself —
I'm not going to tell you what it is.

Start

NOTHING HERE IS SHARED WITH ANYONE

What's been stopping you?

Select all that apply · 3 selected

Time

Money

Fear of failing

What people think

Not good enough

No support

Don't know where to start

I'm not ready

Continue

Have you ever started, then stopped?

No wrong answer — stopping is information, not failure.

Yes

No

I'm not sure

Continue

What do you tell
yourself when you
think about starting?

I don't have time

I'll fail anyway

It's selfish

Someone needs me
more

I don't deserve it

It's too late for me

I'm not that person

What if I'm wrong

Continue

BARRIERS · 04 / 10

MENTICATION

Who would see you trying?

The ones whose opinion lands hardest.

Family

Partner

Friends

Colleagues

Strangers

People from before

My kids

No one — just me

Continue

And what would they say?

Choose what feels true — we'll come back to it.

Who do you think you are	That's not realistic	You'll embarrass yourself
You always quit	You're too old now	Must be nice
That's not you	Stay in your lane	You'll let us down
It's not practical	People will laugh	That's selfish

Continue

BARRIERS · 06 / 10

MENTICATION

Where do you feel that?

The body answers before the mind does.

Chest tightens

Stomach drops

Throat closes

Face goes hot

Shoulders up

Hands shake

I go numb

Can't sit still

Heavy

Foggy

BARRIERS · 07 / 10

MENTICATION

What would you have
to give up to go
after it?

Certainty

Being liked

Comfort

Control

My excuse

Free time

Looking capable

Being right

Predictability

The story I tell

Safety

Who I've been

Continue

If it went well —
what would that
say about you?

It would mean I'm...

Continue

No one is reading this.

And if it went
badly — why would
that be so bad?

Everyone would see I couldn't do it

UNDERNEATH THAT

I'm not worthy of it.

That's the one

Whose voice
is that,
really?

It sounds like...

Continue

TAKE YOUR TIME

Ten years from now.

Far enough out that the small choices have
compounded.

IF I KEEP AVOIDING

- ☐ The story hardens
- ☐ “I used to want to”
- ☐ Resentment, quietly

IF I ACT ON IT

- ✓ A skill, properly held
- ✓ People who do it with
you
- ✓ A life with adventure
in it

Choose action

TEN YEARS IS FOUR THOUSAND SMALL DAYS

FUTURE SELF · CONTRAST

MENTICATION

Twenty years.

IF I KEPT AVOIDING

*A full life, lived just
beside the one I
actually wanted.*

IF I ACTED

*Twenty years of being
someone who goes
after what matters. A
mission, not a wish.*

I choose action

NOBODY GETS BOTH

RADICAL ACCEPTANCE

MENTICATION

You will be
judged
regardless.

So — judged for going after what you want. Or
judged, by them *and* by you, for never trying.

Continue

PAUSE · REFLECT · CHOOSE

You can see
it now.

WHAT YOU FOUND

THE WANT

learn to play the piano properly

THE FEAR UNDERNEATH

I'm not worthy of it

WHOSE VOICE

not mine

The fear doesn't disappear. It just stops being the
one who drives.

Continue

Courage looks like:

- Speaking up even when your voice shakes
- Trying before you feel ready
- Asking for help
- Saying no
- Starting small, today

5 OF 50 · SHUFFLE FOR MORE

Add to your daily practice

Kindness looks like:

- Assuming the better reason
- Saying the encouraging thing out loud
- Being as fair to yourself as to a friend
- Staying when it's awkward
- Letting someone be wrong without cost

5 OF 50 · SHUFFLE FOR MORE

Add to your daily practice

Thoughts are like sushi.

They come past whether you want them or not. You don't have to eat every one.

- Notice
- Let it pass
- Pick what you like

Picked 3 good thoughts

TODAY · 11 PASSED · 3 KEPT

You did the
thing you'd
been avoiding.

Not the whole dream. Just the part fear said you
wouldn't. That counts — and it's going in your
book.

Add to my evidence

EVIDENCE · 7 ENTRIES

Did you act like the
person you want
to be?

We're not scoring the outcome. Only the alignment.

Yes — that was me

Partly

Not yet — but I saw it
