

Take your mind somewhere better.

GOOD EVENING

Let's find your reset
for today.

What do you need right now?

Calm

Settle your system

Lift

Gently shift your mood

Ground

Come back to now

Sleep

Wind down to rest

Home

Library

My Plan

Progress

Insights

Settings

How is your mood right now?

Low to high. An honest first read.

5 / 10

So-so

Very low

Great

Build my reset >

Your 5-minute reset

Starting with the best-fit practice. The next step will adapt after your check-in.

FIRST ACTIVITY

5 MIN

The Happy Bump

A short sequence of movement, hydration, connection and one small action can build momentum without waiting for motivation.

Optional preferences

Begin →

Your 5-minute reset

Starting with the best-fit practice. The next step will adapt after your check-in.

FIRST ACTIVITY

5 MIN

The Happy Bump

A short sequence of movement, hydration, connection and one small action can build momentum without waiting for motivation.

Optional preferences

Begin →

The Happy Bump

Shift your state.

Twelve short steps, about 10-15 minutes. No motivation required.

Start

Skip ahead

STEP 1 OF 12

Where are you at right now?

Move the curve until it feels about right.

FLAT

MORE ALIVE

That's where I am

Skip ahead

The Happy Bump

STEP 2 OF 12

Get up and move.

No workout. Just put your body in motion.

I'm up and moving

Skip ahead

STEP 3 OF 12

Headphones on. Hit play.

Choose something that makes movement easier.

Music's playing

Skip ahead

STEP 4 OF 12

Drink a glass of water.

Take a moment and finish what feels comfortable.

I've had some water

Skip ahead

STEP 5 OF 12

Choose your route.

Pick what is practical and safe right now.

Walk outside

Walk indoors

Skip ahead

STEP 5 OF 12

Take a five-minute walk.

You can connect with someone while you walk.

0:00

OF 5:00

Connect while I walk

Skip ahead

STEP 6 OF 12

Reach out to someone.

One genuine signal is enough.

Text message

Facebook Messenger

Voice note

Phone call

Skip connecting

Skip ahead

STEP 7 OF 12

One small win.

Pick something small enough to finish now.

Put one thing away

Reply to one message

Open the curtains

Clear one small
surface

OR NAME A TINY FINISH

Make it my one mission

Skip ahead

STEP 7 OF 12

Put one thing away

Nothing else belongs in this moment.

NOW

✓ Done

I made an honest start

Skip ahead

STEP 8 OF 12

What are you proud of?

Choose whatever feels true right now. Skipping is okay.

YOUR WORDS

I got out of bed

I kept going

I moved my body

I showed up

Continue

Skip ahead

STEP 8 OF 12

What are you grateful for?

Choose whatever feels true right now. Skipping is okay.

YOUR WORDS

Someone who cares

A safe place

A small comfort

Music

Continue

Skip ahead

STEP 8 OF 12

What are you looking forward to?

Choose whatever feels true right now. Skipping is okay.

YOUR WORDS

A favourite meal

Seeing someone

Resting later

Getting out

Continue

Skip ahead

STEP 9 OF 12

What deserves a little attention next?

Six parts of wellbeing.

Relationships

Physical health

Purpose & work

Learning & growth

Financial wellbeing

Community

Choose a small step

Skip ahead

STEP 9 OF 12

Pick one low-effort step.

Tap one that feels realistic, not impressive.

Stretch for two minutes

Step outside for fresh air

Refill tomorrow

OR NAME YOUR OWN

Carry it forward

Skip ahead

STEP 10 OF 12

What would serve you now?

Choose one more thing to carry this momentum into.

Productive

Make one next step easier

Enjoyable

Choose a little pleasure

Relaxing

Settle into comfort

Skip ahead

STEP 10 OF 12

Make the experience
easy to feel.

Choose an activity that fits this moment.

THE ACTIVITY

Take a warm shower

Make a warm drink

Sit outside

Sight

Sound

Touch

Smell

Taste

YOUR OWN SOOTHING IDEA

For example, sit with a soft blanket

0/140

That's my next move

Skip ahead

STEP 11 OF 12

Where are you now?

No result is the right result. Take an honest read.

FLAT

MORE ALIVE

Show me the bump

Skip ahead

STEP 11 OF 12

A 2-step bump.

Not a whole new day. A real change in this moment.

Then 3 · Now 5

See what you built

Skip ahead

That's the bump.

Small inputs. Real movement. A direction to keep.

Moved your body

Had some water

Chose intentionally

Kept momentum

[Save my bump](#)

Done

This is not helping

Take your mind somewhere better.
